Sir/Ma'am,

We request your pleasure to kindly accept our clarification for the queries raised by RC during virtual inspection.

1. The height of the boundary wall at entrance which was below 6 feet is raised as per the requirement today itself as shown in the video.
2. As per RC inspection, the objection about electric poles which were seen in the campus are taken away. Overhead wires were already replaced by underground cables.
3. We regret to say we do not have any toilet / washrooms on the first floor of the 1<sup>st</sup> phase of the building (where students from std. 6<sup>th</sup> to 10<sup>th</sup> class are located). But we have sufficient toilets separate for boys and girls at ground floor with adequate CWSN facilities.
4. Where as in the second phase building we have sufficient toilets on each floor with adequate CWSN facilities.
5. Our library is very well equipped with adequate number of books in English, Hindi and Marathi. As well as ample of reference books for Senior secondary section.
6. We have spacious laboratories for secondary as well as for senior secondary levels for Physics , Chemistry, Biology and & Mathematics with sufficient stock of material required there in as per the SOPs of CBSE.
7. We have 37 classrooms in all, Out of which 22 classrooms are provided with digital system.
8. We have sufficient Staffroom, Admin Office, Principal's cabin, wellness room, Sports room and enough place for the Playground.

Yours faithfully,

Principal,
